LOCKHART JUNCTION

Lockhart Junction, June 26.—We have had more rain and there will be more hard work to do as the grass grows fast.

Well, the news and talk of the day is the war. This is no fun, as the editor said last week in his editorial. He knows it is no child's play. I just remember the Confederate war; just a boy around my mother's knee, not knowing what the trouble was. I remember the morning my two brothers left for the war that was a sad time with my mother. I was not old enough to realize her trouble, but I knew my mother was in a good deal of trouble but I did not know how to console her.

If you will listen I will tell you what I do remember. My father never had but one slave and I heard him say he would be willing to set him free rather than to have war, and he would sacrifice a great deal more than for him and his boys to have to go to war. I will say that Abraham Lincoln's proposition was a good one when he said we will give the young negro to his master till he is 21 years old. Another proposition he made, but there was no compromise made. Just like it is now. I fear there will be nothing that will prevent war, and if the United States gets into war there is no telling when it will end. There might be other nations.

Well, dear readers, what is the cause? There is so much sin; is it not? I believe it. Some nations will have to be forced to do right. Is not the Bible being fulfilled fast? That may be what St. John wrote about. Here is some of his words: "And power was given unto them over the fourth part of the earth to kill with sword and with hunger and with death." That time may not be far off. We as people may have to be beaten with many stripes as the Holy Book tells us. Among all the people of the earth perhaps none is wider open to the Christian message today than is China.

I have a son who belongs to the Jonesville Coast Artillery and if he has to go I will only feel and realize what my mother felt and realized when she bade her boys good-bye. I saw a man the other day in a run to meet the train to get a paper, but they were all gone, so you see the people are in haste to get the news from Mexico and to read of the affairs.

There was a good attendance at Sunday school at the Gault school house Sunday evening. Prayer meeting every Sunday night at this place. Everyone is invited to come and take part in the Sunday school and prayer meeting.

Mr. and Mrs. W. H. Pace of Jones-

ville township visited at Kelton today.

Miss Bertha Mabry of Jonesville visited Miss Mary Tweed Saturday and Sunday.

Miss Florence Haney went to Union Saturday to do some shopping. Moxy.

THE LEGACY OF A WONDERFUL WOMAN

This is a Story of Healing. Read Every Chapter.

CHAPTER 2. THE INDIAN GIVES HIS SECRET AND GOES BACK TO THE WOODS.

A very sick child in Mrs. Person's family, long after the Indian had gone back to his haunts caused the family to go in search of the "simples" with which to brew the Bitters and Wash, so eloquently praised by the Indian, whose visit of years before had all but been forgotten. They found the herbs and simples and the first of this now famous healing Agent was made on the family stove in a great old-fashioned cauldron. We will close this chapter by simply stating that the child quickly recovered through the medicine thus made.

It has benefited thousands, since that early day, as you will see by reading the following:

Mr. Bob B. Bass, of Cunningham, N. C., was cured of a sore on his face, indigestion of forty years' standing and Nasal Catarrh by Mrs. Joe Person's Remedy.

"Go!" said the girl. "I wash my hands of you."

"before you do any hand-washing, better take off that ring I gave you," he retorted, frigidly.—Boston Transcript.
